

We are *the* customs and trade compliance experts.

Over 30,000 companies trust us with their customs brokerage, consulting, freight and integrated logistics needs. By continually investing in our people and technologies, we give businesses the edge they demand in today's highly competitive marketplace.

Livingston Customs Brokerage

North America's most innovative and knowledgeable customs broker. Livingston offers a full suite of advanced technology solutions to help clients manage their imports and compliance.

Livingston Consulting

The largest, most focused customs consulting practice in North America. Livingston's customs, legal and financial experts help companies implement compliance programs, meet audit requirements, recover duties and taxes and manage border security.

Livingston Integrated Logistics

Delivering strategic integrated logistics solutions to Fortune 500 companies. Livingston rethinks and reinvents supply chains to reduce costs by minimizing inventory, streamlining order fulfillment and optimizing distribution.

Livingston Freight

Moving freight seamlessly within North America and around the world. Livingston arranges efficient transportation by air, sea, rail, truck or intermodal, from point of origin through to final destination.

Livingston Event Logistics

Bringing personalized high-touch services to conventions, trade shows and other special events. Livingston arranges specialized transportation and customs clearance services for time-sensitive materials.

Livingston Managed Services

Managing business services so companies can focus on their core competencies. Livingston brings efficiencies by designing and delivering administrative, contact center and document management services.
