

Insight® e-Vent U.S.A.

Find out where your cargo is in real time, 24/7, through fax or email updates. Insight e-Vent keeps you posted automatically.

You depend on timely shipment information but staying informed can be tough.

Insight e-Vent can help.

Insight e-Vent sends messages via your choice of fax or email to update you about your shipment's U.S. Customs status in real-time.

Insight e-Vent takes the guess-work out of determining when your cargo will arrive because you'll always know what part of the clearance process it's in.

Our Insight e-Vent U.S.A. technology solution

Insight e-Vent is a solution that you customise to fit your needs.

When you subscribe, you choose:

- to receive your notifications by fax or email
- shipment identifiers that make it easy to recognise which shipments you are receiving updates about
- up to 35 event indicators that will trigger your email or fax notices.

The e-Vent system is updated every 15 minutes so you are constantly getting the latest information.

Insight e-Vent provides you:

- Customs release dates, time and current status of shipment milestones
- Delivery order issuance
- FDA release status and updates
- FDA Bio-Terrorism Prior Notification confirmation
- OBL (Original Bill of Lading) date surrendered

How you'll benefit

- Stay informed. You know your shipment status in real-time on a 24/7 basis.
- Save time. Get all the information you need delivered right to you. No searching multiple systems or locations.
- Save money. There is no information technology costs involved. You receive Insight e-Vent messages right to your fax or email.
