Take advantage of Livingston's extensive global network...and expertise.

### Looking to increase efficiency and optimize your supply chain?

Let Livingston bundle all your products and orders purchased from various manufacturers from a single country or location of origin, into your own, dedicated, Full Container Load (FCL) container(s), for shipping via our global, consolidation hub network.

### Leaders in vendor and inventory management

#### Let Livingston:

**Manage** all your shipments from multiple suppliers using our global network of warehouses.

**Monitor** your shipments, ensuring your orders match the physical cargo we collect and receive on your behalf.

**Consolidate** your goods, so that they're shipped according to your specific needs.

#### 24/7 order tracking means peace of mind

We provide real-time, end-to-end supply chain transparency, so you can check up on your cargo at any milestone you choose along its journey.

### Take your supply chain management to the next level.

Let Livingston's buyer's consolidation solution help you reduce costs and improve inventory management.

### Choose our buyer's consolidation services and you'll benefit from:

- Reduced transportation costs
- Improved management and visibility of your supply chain.
- Dedicated quality inspection and control
- Secure transportation to your door
- Defined, flexible, transit time solutions
- Container optimization (e.g., load at consolidation hub to lower your price-per-unit)

### Based on agreed volume break-points, Livingston will:

- Load the containers for you;
- Perform all necessary customs clearance processes; and
- Carry out any required Importer Security Filings.
