Take advantage of Livingston's extensive global network...and expertise.

### Looking to increase efficiency and optimize your supply chain?

Let Livingston bundle all your products and orders purchased from various manufacturers from a single country or location of origin, into your own, dedicated, Full Container Load (FCL) container(s), for shipping via our global, consolidation hub network.

### Let Livingston:

**Manage** all your shipments from multiple suppliers using our global network of warehouses.

**Monitor** your shipments, ensuring your orders match the physical cargo we collect and receive on your behalf.

**Consolidate** your goods, so that they're shipped according to your specific needs.

### 24/7 order tracking means peace of mind

We provide real-time, end-to-end supply chain transparency, so you can check up on your cargo at any milestone you choose along its journey.

### Take your supply chain management to the next level.

With Livingston's Buyer's Consolidation solution, you benefit from reduced transportation costs, improved management and visibility of your supply chain, dedicated quality inspection and control, and defined, flexible transit time solutions.

### Based on agreed volume break-points, Livingston will:

- Load the containers for you;
- Perform all necessary customs clearance processes; and
- Carry out any required Importer Security Filings.
